## Springs Here!

Welcome back everybody! I hope everyone had a lovely Easter break and didn't eat too much chocolate.

It's lovely to see the sun after such a cold winter. Lets hope this is the beginning of a good summer (we definitely are due one)

During May and June this year Hullabaloo will be visiting our school and we will take part in a number of workshops aimed

at enabling our pupils to put on a primary production of Peter Pan. Some of you may remember Hullabaloo's visit from a couple of years ago and we are all very excited by the prospect of working with such a professional team of people and by providing such a wonderful experience for our children.

To consolidate the learning that will take place within this programme we are em-

bracing the themes of Peter Pan within our planning.

The focus of our thinking skills and personal capabilities for the next term is 'working together' and 'being creative'. These fit wonderfully with our topics and spring production.

So please expect lots of "Aarr Shiver me timbers" and "Walk the Plank matey", pirate games, songs and craft.
