Tuesday, Zululanders Day @ Tor Bank

We had a great day with a group of Zulus in school. They told us about their culture, they taught us a song & also a dance & best of all we got to see them perform, it was fantastic!! Just look at the photos.

Unfortunately Simon had to go to Datalink & Sarah, Jenny, Janice & Toni went on their work experience, but they got to join in the afternoon.

On Thursday Conall went swimming with the secondary department while Dominika stayed with Zara's class. Sarah & Jenny went to Drama & the rest of the class went to college. This week we all went to Hillmount Garden Centre to do a survey about Organic products & then we went back to college & planted pots with mini daffodils & violas for Mother's Day.

On Friday John took Assembly & he talked about Mother's Day. After break Catherine, Conall, Janice, Sarah, Jenny, Simon & Dominika went to BAC. This week we walked from BAC to visit the Lock Keeper's Cottage.

Happy Mother's Day
