Topics and Themes this month

This term we'll be starting our summer theme.

The main topics this month will be:

- Naming or signing the colours of summer flowers especially on our trip to Lady Dixon
- Looking for mini-beasts
- Sorting for healthy food when listening to the story of the Very Hungry Caterpillar
- Sorting and preparing foods for picnics (inc buttering bread and making sandwiches)

- Listening to stories about teddy bears and having teddy bears picnics, comparing the sizes and colours of the bears and reinforcing the names of body parts.

Our colour to tie in with the season is blue.

The Primary Department will be involved with a drama company called 'Hullabaloo' this term. We will be watching a performance by the company actors on Tuesday 11th May, then we'll be doing some workshops working towards a final

production for parents in June—more info to follow!!

We are also introducing more number songs and rhymes, and encouraging the pupils to count with us as often as possible. It would be great if you could follow on with this at home.

NB—if the weather does become very sunny please send in a sun hat for your child—we still have the sun cream you all sent in back in September. We're nothing if not optimistic!!

17th May—Lady Dixon Park
19th May—Zoo
